EXPERIENCE

UX/UI BRAND DESIGNER | March 2025 – Present

Bee and Blossom Mobile Bar — Remote

- Designed digital experiences with emphasis on usability, visual hierarchy, and consistent branding.
- Partnered directly with a web developer to translate approved designs from staging to implementation, contributing visual assets, design direction, and front-end update recommendations.
- Produced and updated branded digital assets, page layouts, typography, imagery, and visual elements to reinforce the company's online presence and maintain brand consistency.

BRANDING GRAPHIC DESIGNER | February 2025 – Present

Independent/Freelance—Remote

- Created digital marketing graphics, branded social media content, promotional materials, logos, and campaign assets for freelance and independent design projects.
- Transformed designs across digital and print formats using Adobe Creative Cloud and Canva, adjusting layouts, typography, imagery, and sizing while maintaining brand consistency.
- Developed brand-focused design concepts from initial research and sketches through revisions, mockups, and final production-ready assets.

RETAIL AND MARKETING ASSOCIATE | March 2022 – September 2026

Once Upon a Child — Cranberry, PA 16066

- Created and organized social media content highlighting products, store updates, promotions, and seasonal events to support local store marketing.
- Customized in-store merchandising and visual displays to maintain an organized and engaging shopping experience.

FAMILY CAREGIVER— Self-Directed | March 2018 – March 2022 Colorado Springs, CO 80903

BRAND AMBASSADOR AND PROJECT MANAGER | December 2015 – March 2018

BOSSTechnology—
WinterPark,FL32789

- Managed multiple client and promotional projects simultaneously, coordinating timelines, priorities, deliverables, and client expectations from planning through completion.
- Collaborated with organizations and clients to create graphic design and branded promotional materials aligned with project goals and company branding.
